QUARTERLY BUSINESS MEETING

On Wednesday, October 20, Pine Street Baptist Church will enter into a quarterly business meeting in the Fellowship Hall. The agenda for this meeting includes a presentation of the Ministry Team structure under which we have been operating, and a recommendation to formally adopt this structure for the ministry and operations of our church. Please plan to attend.

Halloween Candy Needed

Halloween, a typically busy outreach night for the church, is a bit uncertain this year because of COVID-19. While uncertainty remains, we are asking once again for candy donations. A donation box will be located in the foyer on the second floor outside of the sanctuary. You may begin bringing candy at any time.

This month we celebrate Marie Johnstone's thirty years of loving and dedicated service at PSBC. The church wishes Marie a very happy anniversary, and we express our gratitude for her years of service.

It is with great joy and much love that we welcome Levi Wade Johnston, son of Kathryn and David Johnston and grandson of Linda Johnston. Sawyer and Asher are thrilled to have a new cousin. We thank God for sending us this wonderful blessing!

ENVELOPE BUDGET REPORT

Budget Amount: \$98,116
 Given Amount: \$73,280
 Deficit: \$24,836

These amounts represent envelope offering through Sunday, September 19. The envelope offering makes up approximately 63% of the entire annual budget. With three months left in the year, the envelope offering budget has a deficit of over \$24,000. If you have fallen behind in your giving, please prayerfully consider helping the church shrink this deficit.

Brittle and Broken
by Dolores Treadway

O Lord Jesus!
 You created me
 Yet I do not know why..
 For what purpose am I here?
 The breath in my body is
 Slowly draining to where I can not
 Hardly call your name...
 My heart bones are brittle and broken.
 I hear no answer yet I call out
 Your mighty name...
 O Lord please take my hand or I
 Will drown in my own tears!
