WEDNESDAY BIBLE STUDY

This four-week Advent study focuses on the experiences of four sets of often overlooked characters in the Nativity story. During this Advent season, Rachel Billups guides readers through the themes of hope, love, joy, and peace by sharing the stories of Elizabeth and Zechariah, Herod, the Magi, and the shepherds. Each set of unexpected characters has something to teach about living faithfully on the journey to Christmas. Join us as prepare ourselves for the coming Christ child of this Advent season. Lunch follows our study.
